Great Results Guarantee

Under this agreement for 2014
One Mile State School will receive $115,626

This funding will be used to

- Employ additional support staff across the school, with a focus on early years, to support the improvement of reading outcomes to achieve a future of national minimum standard in Reading for all students attending One Mile SS.
- To engage a .2FTE teacher fraction to build relationships between External Early Years providers and One Mile State School to align curriculum and learning expectations and engage parents in the early years learning agenda.
- Enhance the existing reading resources to provide a broader range of text both fiction and non-fiction.
- To align data collection of reading outcomes across P – 7.

Our strategy will be to

- Employ 6 additional teacher aides for 10 hours per day, 5 days per week targeting the school priority learning area of reading.
- Provide professional learning to the additional teacher aides to ensure knowledge, understanding and explicit delivery of direct instruction within the classroom.
- Provide explicit expectations to teaching staff on the use of the additional human resource requiring both pre and post testing to measure outcomes.
- Provide additional teacher aides based on targeted 10 week cycles
- Purchase Fountas and Pinnell Benchmarking kits to support the alignment of data collection from P – 7.
- Purchase a teacher fraction of .2FTE to
  - work within the OMSS community to engage parents in the learning agenda using the Brigance test outcomes as the platform for discussion to engage collective responsibility of the learning expectations and goals to ensure children of Prep age attain reading targets at the end of their Prep year.
  - Engage with external early years private and public providers to share knowledge and expertise of learning outcomes for prep age children.
  - Support pre-prep age children visiting and experiencing the school environment prior to the commencement of their prep year.
  - Build relationships with Early Years external providers to support a seamless transition into the school setting through valuing the work and
programs of those providers.

Our school will improve student outcomes by
