Snapshot report

Under the agreement for 2014
ONE MILE STATE SCHOOL received

Our full 2014 agreement can be found here: onemiless.eq.edu.au

Our school strategies are showing substantial progress toward our targets

After reviewing our Great Results Guarantee agreement, it is clear that we have made progress toward our targeted student outcomes. We will continue to focus on maximising the benefits of this funding for our students, and adjust our strategies as needed to ensure every student succeeds.

Strategies implemented include:

- Employed additional teacher aides for 10 hours per day, 5 days per week targeting the school priority learning area of reading.
- Provided professional learning to the additional teacher aides to ensure knowledge, understanding and explicit delivery of direct instruction within the classroom.
- Provided additional teacher aides based on targeted 10 week cycles
- Purchase Fountas and Pinnell Benchmarking kits to support the alignment of data collection from P – 7
- Supported staff professional knowledge of implementing and analyzing Fountas and Pinnel Benchmarking across P – 7.
- Provided additional teaching staff to support student literacy improvement through explicit delivery within classrooms
- Built relationships with Early Years external providers to support a seamless transition into the One Mile school setting.
